

Bureau Director – Environmental Health

Job Description

Department: Health
Position: Career Service
Grade: 514
Supervisory: Yes
Reports to: Division Director – Environmental Health

Summary

Under general direction of the Division Director-Environmental Health, supervises assigned health programs and services in Utah County. Professional duties include providing training, and directing, assigning, and monitoring the work of others. The Bureau Director is an expert resource in the field or function over which he or she presides.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Schedule, coordinate, assign, and evaluate the work of assigned personnel; promote teamwork and participation; review and approve leave requests and usage.
2. Propose recommendations to the Division Director – Environmental Health for the hiring and retention of personnel; recommend budget for the division and assists in preparing the annual report.
3. Coordinate and evaluate programs; order program supplies as needed.
4. Plan and implement policies for employee education and development; train groups about environmental health practices.
5. Interact with Program Managers and other personnel to ensure environmental health services are being implemented effectively.
6. Work in the field with Program Managers and other personnel to gain a better understanding of the services being provided and to assess the competency and training needs of employees.
7. Maintain current knowledge of regulatory guidelines, policies, and procedures, and implement the same.
8. Provide updated program information to the Division Director, Program Managers, and other personnel.
9. Ensure personnel comply with federal, state, and local regulations, and assist with ongoing training.
10. Coordinate and conduct liaison activities with related federal, state, and local agencies; serve on various committees as assigned within the local Health Department, in the community, and on

as a laptop, desktop, smartphone, photocopiers, shredders, and filing cabinets. The noise level in the work environment is usually moderate. Work may expose incumbent to conditions such as fumes, noxious odors, dusts, mists, gases, and poor ventilation and to contagious or infectious diseases or hazardous chemicals. This job occasionally requires the use of protective devices such as masks, goggles, and gloves. Incumbent may be exposed to equipment, tools and environmental elements which have the potential to cause bodily injury. Work occasionally exposes the incumbent to high-stress situations including contact with clients and/or the public in uncomfortable, confrontational, and emotionally charged circumstances. May be required to drive Utah County owned vehicles in the course of conducting County business. Must abide by the Utah County Vehicle Policy.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

While performing the duties of this job, the employee is required to use manual dexterity to handle, feel, and operate objects, tools and controls, and reach with hands and arms. This employee is frequently required to stand, talk, and hear. Specific vision abilities by this job include close vision and ability to adjust focus, and ability to distinguish between shades of color and patterns. The employee is required to work for sustained periods of time maintaining concentration and attention to detail. The employee is required to type, file and lift supplies up to thirty (30) pounds. May be required to ascend or descend ladders, ramps, or rough terrain. The employee regularly drives a motor vehicle.

Position Type/ Expected Hours of Work

Incumbent must work eighty (80) hours each pay period to maintain full-time status. There may be availability to work out a flex schedule ahead of time that works for both the County and the employee. Occasional evening and weekend work may be required as job duties demand.

Travel

Travel is primarily local during the business day, although some out-of-area and overnight travel may be expected, up to five (5) percent.

Required Education and Experience

1. Bachelor's degree from an accredited college or university that includes thirty (30) semester hours in the natural sciences or a closely related field.
2. Five (5) years of experience as a licensed Environmental Health Scientist.
3. Equivalent combinations of education and experience may also be considered.

Preferred Education and Experience

1. Preference may be given to applicants with supervisory or lead experience.
